

Robert W. Bailey
Water Business Group President
CH2M HILL

Robert W. Bailey is President, Water Business Group, for the global full-service engineering, construction, and operations firm CH2M HILL. Mr. Bailey has worldwide responsibility for the development, project performance, and risk management of all CH2M HILL water projects. CH2M HILL's Water Business Group brings the firm nearly a billion dollars in revenue annually, employs approximately 2,000 people and completes more than 4,000 projects each year.

A 23-year employee of CH2M HILL, Mr. Bailey previously oversaw the management of the firm's southeast region. In that role he led the team responsible for all water, transportation, environmental, and infrastructure solution consulting design, and construction services for clients through 30 offices and 11 states and was responsible for approximately \$350 million in total revenue annually. He also spearheaded efforts to expand the firm's water business portfolio to clients by introducing design-build services.

Mr. Bailey serves on CH2M HILL's Board of Directors and is a member of the board's Ownership & Incentive Compensation Committee and the Workforce and Diversity Committee. He served on the Audit & Finance Committee from 1999 - 2000 while the firm transitioned to the current employee ownership program. Mr. Bailey also serves as a Director for the National Association of Corporate Directors Florida Chapter.

Bob Bailey is a graduate of Leadership Florida and Leadership Orlando. He has served as Chairman and President of the Florida Section of American Water Works Association (AWWA), Chairman of the Florida Section AWWA Utility Council, and is a Trustee-Florida Section AWWA. He also received the AWWA Fuller Award for Leadership in the Water Industry.

Mr. Bailey received his Bachelor's degree in Civil Engineering from the University of Illinois in 1977.
